PO. 1

Nationalistic Outlook and Contribution to National Development: Respect and love for the motherland, non discrimination based on gender, caste and creed.

PO. 2

Fostering global competencies, and Technical and Intellectual proficiency: Creating and applying appropriate technique, resources and modern IT tools for ensuring greater personal growth and global outlook.

PO. 3

Inculcating values and Social Commitment: Applying ethical principles and commitment to society; developing professional ethics and responsibilities; functioning effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings; demonstrating respect for fellow beings by fair treatment, caring and concern; listening responsively, recognizing the contributions of others, and engaging in reflective practice; imbibing spirit of selfless service, and showing appropriate consideration for public health, safety and welfare.

PO.4

Affective skills and integrity of character: Developing qualities such as emotional self-awareness, emotional reasoning and emotional self-management for addressing workplace challenges, and fostering personal integrity and character.

PO. 5

Critical Thinking, Problem solving and Research-related skills:

Building upon solid critical thinking practices, enabling to look at a problem from different vantage points, developing alternative solutions, and selecting the best solution; creating a sense of inquiry and research skills for cutting edge areas.

PO.6

Environment and sustainability: Developing consciousness to preserve the earth's finite resources, and wisdom, to balance human needs and the environment, capacity to cope with human consumption as to create security, harmony, and prosperity, and to instill an environmental consciousness to make the world a better place to live.

PO.7

Quest for excellence: Recognizing the need for, and have the preparation and ability to engage in an independent and life-long learning in the broadest context of technological change, developing healthy competition and setting parameters for excellence.
